Program Results and Effects:

Results:

Through example and precept, the Division of Aeronautics takes a leadership position in establishing comprehensive aviation programs and operations that ensure safety and emergency capabilities, educate aviation users, and develop and maintain airports with an emphasis on meeting the highest possible levels of safe operation and maintenance.

Effects:

Aviation users enjoy the availability of an assorted selection of backcountry, rural, and state-owned air facilities. Aviation travel in Idaho will continue to grow as the aviation public continues to spread the word on the enjoyment of using Idaho's unique and diversified aviation facilities. Efforts will continue to impact as many aviators who reside in Idaho with continuous and comprehensive safety education training.
